NOTICE OF PROPOSED RULE MAKING

Adopted: June 30, 2003

Released: July 1, 2003

Comment Date: August 22, 2003

Reply Comment Date: September 8, 2003

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a multiple docket *Notice of Proposed Rule Making* setting forth four separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. The petitioner for each proposal has stated that it will apply for each requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Information Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

A. MB Docket No. 03-143; RM-10726

Petitioner: Charles Crawford

FCC Contact: Rolanda F. Smith (202) 418-2180

B. MB Docket No. 03-144; RM-107XX

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.
